IT'S WATER SAFETY MONTH

*** Spread the word of Safety to all your friends and family- If there are any questions concerning any of the technology or precautions read in this newsletter feel free to contact us at INFO@ALGSPOLS.COM or Send a Request on www.ALGSPOLS.com for Alarm or Safety Fence Installation***

SAFETY TIPS

- *Teach children basic water safety tips
- *Keep children away from pool drains, pipes and other openings to avoid entrapments
- *Have a portable telephone close by at all times when you or your family are using a pool or spa
- *If a child is missing, look for him or her in the pool or spa first
- *Share safety instructions with family, friends and neighbors
- *Learn CPR or Have CPR Instructions posted near Pool

No diving

SAFETY TIPS

- * Learn yourself and Teach Children to Swim
- *Install pool and gate alarms to alert you when children go near the water
- *Ensure any pool and spa you use has compliant drain covers, and ask if you do not know
- *Maintain pool and spa covers in good working order
- *Consider using a surface wave or underwater alarm
- *Have life-saving equipment such as life rings and reaching poles available for use

SWIM ALERT

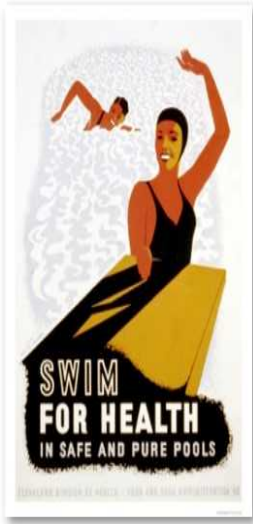

SPECIAL NOTE: Exclusive Aquasensor sub-surface pulse signal analysis software minimizes false alarms, splash resistance and initial startup of Swim Alert. All pool operating systems should be operating. Filter pumps, waterfall, fountain, cleaner, etc. Swim Alert will reactivate to the environment during the first 10 minutes of operation and it "beeps" not to activate the alarm as the result of these normal water system features.

HEALTH BENEFITS OF SWIMMING

--- In today's world of fast food and busy lifestyles it can be a struggle to stay healthy and keep your body in good shape. How can you overcome that struggle? That is the question, many try to answer with healthy cooking ideas, weight-management plans and the ever changing exercise routines. Some even go as far as to promise an easy fix with the infamous "Diet Pill" or "Diet Shake" Simple solution....Take Baby Steps toward a better overall well-being!! It may seem like staying fit is a hassle and a never ending battle, BUT Solution...Utilize your assets!! **Do you Own a swimming pool? Do you have a membership to a community pool? If so , Great News for you!!** Swimming can boost your energy Physically and Mentally!! Working out practically all of your muscles while enjoying a nice sunny day with tons of Vitamin D searing into your pores creating a feel of happiness to most. ((Vitamin D also has many health benefits in it self (longer life, fewer diseases, stronger bones and muscles, fewer infections, less depression, pain and inflammation)) This form of exercise is highly beneficial to all, swimming pools are a powerful tool to increasing your muscle strength, endurance,lung functioning, flexibility, and cardiovascular health! Swimming increases the functions of all these very important aspects of the body and GET THIS....it does this all at a very low risk of injury (LOW IMPACT ON BONES) !!!!! Does this not sound perfect! Now you are all probably thinking, What about the winter and fall months??? SOLUTIONS...**Cont'd**----->>>>

Cont'd ---> Have a heater installed and have it maintained by a professional pool company (AL G'S POOLS LLC) OR Utilize or purchase a SPA!! Spa's promote relaxation to body and mind as well. Keeping your muscles loose and your mind relaxed. Pools and Spas are are great way to UN-whined from that fast-paced life. With an increased oxygen flow to your muscles the forced regulation of breathing an induced mediation-like sensation will occur enhancing your relaxation experience.

STAY FIT AND STAY HAPPY !

AL G'S POOLS LLC IS A FULL SERVICE IN-GROUND POOL & SPA COMPANY WHO BELIEVES IN PROVIDING ALL CUSTOMERS WITH RESPECT AND CARE! -READ ABOUT THE OWNER

About the Owner

The Personal Touch To Pool Service

The owner, Adam Mills, personally performs all openings, closings, installations and repairs on every swimming pool and spa. Often, you will also find him performing your weekly maintenance as well! With this type of personal dedication to you the customer, you can be sure all your pool and spa needs will always be met.

The Background

The Owner and Operator Adam Mills has a great knowledge and understanding in all aspects of pool and spa maintenance, repair and installation. He is an honest, hardworking and overall friendly person in both his personal and business life. He takes great pride in his work and strives to bring happiness to each and every customer he comes in contact with. When he started this company, his main goal was and still is to always be upfront and honest with each and every customer. We at AL G's POOLS LLC understand the concerns of choosing a service company, and because of that we guarantee to provide only the best of quality service to all, with no hassle or deception, you deserve it!

Having grown up here on the East End of Long Island and currently working as a technology teacher for one of the local school districts, he is greatly familiar with all the surrounding communities. Long Island is his home and he strives everyday to preserve our towns, through everyday support of other local businesses, volunteering at the schools and of course providing locals with quality pool and spa services. When he started in the industry he was working through college, now with about 10 years of pool and spa experience he is going on his fifth year in business for himself. AL G's POOLS LLC started off small, and is gradually branching out with the help of some loyal and friendly customers, who have been spreading the word. He is thankful to each and every person who have been involved during this journey.

The Future

Adam Mills is a goal oriented and strong-willed man, now looking to the future in hopes of expanding his business. The intent is to soon offer all features of property maintenance to all of the East End

With the Main Goal being to provide Honest, Reliable, and Reasonably priced services ...
He has no doubt he can bring satisfaction to all!
